JANUARY PROGRAM

Hazrat Mufti Abdul Muqtadir gave a bayan at the January program. Hazrat gave advice on following three points in the light of Quran and Sunnah:

- Our tongue is the organ that we use to communicate in our daily lives. Every action and saying of our tongue, is recorded and documented by angels. Therefore, do not think that you can say whatever you desire and will not be held accountable on the Day of Judgment, we shall be very careful and mindful of what we say. According to one Hadith of our beloved Prophet (SAW), Jannah will be guaranteed for one who can give guarantee about the proper usage of his/her private parts and tongue. The sins committed through a tongue are like a disease for some people who get into the habit of slandering and backbiting other people, creating doubts among husbands and wives, propagate the defects or highlight previous committed sins of people, etc.
- We should try to get into the habit of making Tauba or repentance on our sins. Hazarat mentioned the Hadith in which Prophet Muhammad (S.A.W) said an act of repentance makes Allah (SWT) as happy as if when a lost traveler in a desert finds his ride (i.e. camel) that was lost in the desert. Everyone should make a habit to repent sincerely and cry on his or her sins to get closure to Allah (SWT).
- Our homes are sanctuaries for us where it is suppose to be peaceful and Allah (SWT)'s protection. Therefore, we should not be out of our homes unnecessarily and shall return to our homes when all the necessities are taken care of (i.e. shopping, work, study, etc.). Wasting time outside in "Dunya" will increase our chances of committing sins. May Allah (SWT) give us taufeeq to protect ourselves from wasting our time and committing sins. Aameen.
